

Pension Contribution from 1 April 2021

The following table shows the pension contribution bands that will be in force on 1 April 2021. The bands are reviewed from time to time.

The band you fall into will be assessed using your Actual Pay and is at the discretion of your employer. You should contact your employer if you believe you have been placed in the wrong band.

Band	Pensionable Pay Range	Main Section Contribution Rate	50/50 Section Contribution Rate
1	Up to £14,600	5.5%	2.75%
